

REMARKS

Applicants greatly appreciate the allowance of several claims in this case. While applicants disagree with the Section 101 double patenting rejection, claims subject to this rejection have been cancelled without prejudice in order to expedite the allowance of this case. In addition, allowable Claim 48 has been placed in allowable form by incorporating the limitation of cancelled Claim 44. Claims 45-47 have been amended for better readability.

If anything further is necessary the Examiner is requested to contact the undersigned in order to expedite the allowance of this case.

Respectfully submitted,

OBLON, SPIVAK, MCDELLAND,  
MAIER & NEUSTADT, P.C.
